Dear Golfers:

We'd like to invite you to participate in the 10th Annual Charity Golf Tournament presented by Shaner and Metzger Animal Hospital to benefit Bob Perks Cancer Assistance Fund and Centre County PAWS on August 13, 2010. The tournament will be held at the Penn State Golf Courses and as always, will offer lots of fun for all participants.

Bob Perks was a native of State College, Pa. He was devoted to helping cancer patients long before facing his own challenges with the disease. He was a founding member of Coaches vs. Cancer locally and remained active with the organization until his own battle with cancer prevented him from doing so. It was his goal to bring cancer support to our local community. In hopes of fulfilling his wishes, the Bob Perks Cancer Assistance Fund was established to provide financial support for basic necessities to families going through cancer. For more information visit www.bpcaf.org.

Centre County PAWS is committed to placing homeless cats and dogs into loving forever homes and making a lifetime commitment to each of these companion animals, reducing companion animal overpopulation through spay/neuter programs and education, promoting responsible pet care through education by example, acting as an advocate on behalf of companion animals, building, nurturing, and respecting the human-animal bond, and proactively seeking new approaches in the effort to end the suffering of companion animals in our society caused by cruelty, neglect, or human apathy. For more information visit www.centrecountypaws.org.
